

About the Series

Zoey and SassafRAS stars two friends - a girl and her pet cat - who meet a host of magical animals with problems that must be solved through science!

Original, exciting and educational, these page-turners follow Zoey as she runs experiments, does research, and asks lots of smart questions. Zoey also teach kids how to keep a science journal through Zoey's handwritten entries.

Each story is complete with a glossary of the kid friendly definitions of scientific terms used in the book.

GNOMES AND SNEEZES

When Sophie shows Zoey a special hidden room in her new house, Zoey thinks things can't get any more exciting. But then Zoey hears something Sophie can't. . . could it mean a new magical creature?

Soon Zoey learns about a mysterious illness, but she just can't seem to cure it. Will Zoey and SassafRAS be able to help their new friends in time?

About the Author & Illustrator

Asia Citro has an M.Ed in science education and was a classroom science teacher for many years. She lives near Seattle. She started writing *Fun at Home with Kids* in February of 2013 and has since spent many late nights experimenting with new play recipes, sensory materials, and science experiments. She is the author of 150+ *Screen-Free Activities for Kids: The Best and Easiest Playtime Activities from FunAtHomeWithKids.com*, *The Curious Kid's Science Book: 100+ Creative Hands-on Activities for Ages 4-8*, *A Little Bit of Dirt: 55+ Science and Art Activities to Reconnect Children with Nature*, and the chapter book series *Zoey and SassafRAS*. Her work has been featured on *Apartment Therapy*, *The Chicago Tribune*, *Today*, *Disney Baby*, *MSN*, and *Highlights*, among others. To read about her most recent late-night discoveries, visit www.funathomewithkids.com.

Marion Lindsay has always loved stories and pictures, so it made perfect sense when she decided to become a children's book illustrator. She has been awarded the Egmont Best New Talent Award. When she's not illustrating children's books, Lindsay paints glass and makes jewelry. Find out more at marionlindsay.co.uk. She lives and works in Gloucestershire, England.
