Business & Economics / Small Business		Let’s get real . . . Should you read this book?
Ctn Qty: 20		
9 in H   6 in W		Here’s the thing: Most physicians aren’t looking for something new. Most of us are pretty set in our ways, and we’re taught from day one to be fearful of running our own practices.
		But what if you didn’t have to do it alone? What if you knew how to run a thriving practice that didn’t run your life into the ground? What if there was a step-by-step system that you felt confident implementing your...

**Summary:** Noel Massie’s *Congrats! You’ve Been Promoted!* is an essential guide for equipping new managers with the tools and strategies to lead their teams successfully.

Getting promoted is one of the most exciting events in a career. Yet many are placed in the role without any knowledge of what it takes to be a leader, let alone a *great* leader. You’re expected to sink or swim, and most companies don’t provide any support or leadership training either before or after the promotion.

You want to be an excellent leader for your team, but where can you...

The brokerage model is broken!

It doesn't take long for a rookie real estate professional to spot the common pain points:

- Trapped in someone else's rule book and bound by their policies.
- Forced to use stale, outdated scripts and "best practices."
- Stuck in a cubicle in a boring business office.
- Represe...

**Summary:** Randy Gravitt's *Winning Begins at Home* is a leadership parable that explores what it takes to win where it matters most—at home.

***Develop a plan for success. And WIN where it matters most!***

When you think of success, what comes to mind? Career, public achievements, diplomas, degrees? We work hard to find a job, gain promotions, and develop skills to become a peak performer. We’re continually striving to win at work. But does winning at work mean we have to lose at home? In all our “winning,” are we neglecting what matters most?
