Summary: A venerable saguaro cactus stands like a statue in the hot desert landscape, its armlike branches reaching fifty feet into the air. From a distance it appears to be completely still and solitary--but appearances can be deceptive. In fact, this giant tree of the desert is alive with activity. Its spiny trunk and branches are home to a surprising number of animals, and its flowers and fruit feed many desert dwellers. Gila woodpeckers and miniature elf owls make their homes inside the saguaro's trunk. Long-nosed bats and fluttering white d...

Summary: Make goodbyes fun with animal rhymes and colorful lift-the-flap illustrations!

“So long!” “See you later!” There are so many ways to say goodbye! Lift the flaps in this colorful book to discover favorite animals (and maybe a few new ones, too) and fun goodbyes. Children and grown-ups alike will be giggling before you can say, “Toodle-Loo, Kangaroo!”
