**Summary:** Embrace your behind—flaws, farts, and all—with historical heinies, celebrity caboozes, seat self-care, and more fun facts in this little book of booty body positivity.

Butts are amazing. They're practical, hilarious, and hardworking, and almost every person and animal has one that is entirely unique and their own. Just like a fingerprint, nothing makes you *you* like your backside. But why is it that so many of us have such a complicated relationship with our buns? Too big, too small, too high, too low... there's no such thing. This book is...
